SCHOOL COUNCIL NEWS

Next meeting:

Wednesday, October 8

7:00 p.m.

THERE WILL BE ELECTIONS THAT NIGHT

OUR ADVANCE ABSENCE PROGRAM:

The Advance Absence Notification Program was implemented by the Limestone District School Board to ensure the safe arrival of all students. When parents fill out the yellow card to enrol in the program, they make the commitment to keep the school informed if their children are to be absent from school.

In the past, we have had great difficulty getting in contact with some parents who have not called in to the school. We do have a 24 hour answering machine service.

Please call in to the school

Let's keep our children safe.

BUS NOTES:

We ask that parents/guardians do not approach Bus Drivers with individual transportation arrangements. Bus drivers are not allowed to authorize any changes from the regular routes without a note from the office or under the direction of the TriBoard Transportation Dept. (which is their employer). Please send all bus notes to the office.

For safety reasons, we ask that all students are dropped off in the South Parking Lot only!

Grade 8 students, Jordan Cunningham, Kyrsten Gruenberg will be representing our school at the Board Leadership Day, on October 8th.

NO BABY yet for Mrs. Closs, last year's VP on maternity leave.

Yard supervision does not begin until 8:55 a.m. Students should NOT arrive before this time. The weather is sometimes not agreeable in the morning and the children are not usually permitted in the building until the 9:05 a.m. bell, when teachers will be in the classroom. We know that you share our concern for the safety and comfort of your children and we ask for your support in this matter.
