## Primary Spring Concert

The Primary Spring Concert will be on April 22<sup>nd</sup>. There will be an afternoon and an evening performance. Each primary class will be presenting a short poem or song, the Primary Choir will be singing and the Skipping Team will also be performing. We are looking forward to an entertaining show.

## Primary Lollipop Talks

Every February the Primary Students choose a favourite poem, memorize the poem and practice reciting the poem. The students perform the poems for their classmates and then four students are chosen from each class to perform their poems in the gym to the whole primary division, parents and grandparents. Congratulations to all the students for a job well done!

## New Baseball Equipment

In efforts to promote baseball amongst school aged children the Ontario Baseball Association has sent the school over \$500.00 worth of baseball equipment for free. Your son/daughter will be bringing home some information about baseball and we are looking forward to using the equipment with the students to improve skills and have fun!
